

Position Description

Manager Community Learning and Service Centres

1. Position Overview

To provide leadership and direction to the Community Learning and Service Centres department in line with Council values, City strategic directives and community expectations.

To plan for and effectively manage the ongoing development of contemporary customer focused libraries, community hubs and service centres to meet the changing needs of the Hobsons Bay community.

To work strategically and in partnership across the organisation to cultivate a customer focused culture, and create an environment in which products, processes and services are designed to optimise customer experience.

To drive initiatives that: enhance the quality, effectiveness, responsiveness and efficiency of community servicing in Hobsons Bay; and make a strong contribution to local economic, social, cultural and environmental outcomes.

The position will evolve and change over time so the incumbent will need to be adaptable to the needs of our community and our organisation within the broad scope of the position.

This provides an exciting opportunity requiring innovation, flexibility and adaptability.

2. Classification and Relationship

Position Title: Manager Community Learning and Service Centres

Classification: Senior Officer

Department: Community Learning and Service Centres

Reports to: Director Corporate Services

Supervises: Coordinator Customer Focus
Coordinator Operations and Facilities
Coordinator Community Engagement and Partnerships
Coordinator Library Collections and Digital Services

3. Key duties and responsibilities

- Effectively lead and manage the Community Learning and Services Centres Department, including all library, community hub, and service centre functions.
- Identify, plan and determine a future focused strategic direction and approach for the Department which optimises resource allocation and creates value for the Hobsons

Bay community.

- Monitor and review strategic and operational plans to ensure they keep with the principles of community focus, continuous improvement, and value for money service provision.
- Foster innovation and progress new ideas and practices which leverage emerging technologies, increase utilisation of community resources and facilities, and enhance customer experience.
- Build and establish productive and collaborative relationships with internal and external stakeholders.
- Effectively communicate with influence, the vision and strategic direction of Council and the Community Learning and Service Centres Department as well as its key programs, strategies and other key initiatives to influence and gain support.
- Work collaboratively across Council to expand and enhance Council's community service offering; increase community awareness of, access to, and satisfaction with Council's breadth of services and functions as well as attract and facilitate investment in relevant community initiatives, infrastructure and services.
- Provide sound and timely strategic advice to Councillors, the Chief Executive Officer (CEO), and the Executive Leadership Team in relation to improving the health, wellbeing and satisfaction of the Hobsons Bay community in line with the Council Plan and 2030 Community Vision.
- Work as part of the Senior Leadership Team to build an organisational culture that supports Council's values and continuously improves organisational effectiveness.
- Role model Council values in order to achieve business outcomes and meet the expectations of stakeholders and the Hobsons Bay community.
- Identify and drive change management initiatives, processes, programs and strategies for the Community Learning and Service Centres Department and across Council.
- Manage the department's operations and performance, including strong performance development planning, annual performance reviews and the Department's annual budget.
- Ensure that employees are aware of expectations in relation to their roles, key result areas, values, behaviours and development.
- Monitor and report on the performance of Council's customer service model through analysis and interpretation of customer research, customer satisfaction data and relevant operational data.
- Other duties as directed that are within the skills, knowledge and expectation requirements of the position.

4. Key Selection Criteria

- Demonstrated commitment and adherence to organisational values and behaviours.
- Tertiary qualifications in a relevant discipline such as business, technology, commerce, library or social and community planning. Post graduate qualifications will be highly regarded.
- Demonstrated ability and experience in middle or senior leadership roles, managing multidisciplinary teams and providing innovative strategic direction.
- Highly developed conceptual, analytical, strategic planning and project management skills with a proven ability to develop strategies for service performance improvement.
- Exceptional interpersonal, written communication and presentation skills, with the
