Position Overview

Deliver outstanding customer service to the Canning Community, including through the support of professional library services.

Effective delivery of innovative library services and programs.

Support the provision of library services through collection development, cataloguing services and maintenance of the Library Management System and supporting systems.

Build effective relationships, positively contributing to the achievement of the outcomes of the Learning City Strategy.

Position Objectives

Direct Delivery:

- Contribute to the management of the libraries collections, physical and digital, including discretionary acquisition, arrangement and description of collection materials across all formats, development and maintenance of procedures and collection profiles, review, evaluation and weeding of collections.
- Actively support the marketing, promotion and communication of Learning Communities programs, services and events and provide support to staff engaged in the planning and delivery of programs.
- Demonstrate, promote and showcase digital literacy resources.
- Support the development and delivery of lifelong learning programmes to meet the objectives of the Learning City Strategy.
- Provide assistance and support of lifelong learning programs, within OH&S policies and procedures.

Operation:

- Ensure timely and accurate community access to resources through original cataloguing, monitoring of supplier services and supervision of copy cataloguing.
- Contribute to library statistical collection, analysis and reporting.
- Provide technical support for the Library Management System (LMS) and all other library computer systems and equipment in libraries.
- Contribute to system development, problem resolution and product maximisation.

Administration:

- Manage payment of invoices from suppliers and service providers in accordance with the city's procurement policy.
- Contribute to the development of planning processes as required.
- Develop and maintain work procedures and guidelines.

Communication:

- Provide excellent customer service to the Canning community through dynamic, intuitive customer service that responds to the changing needs of the customer.
- Provide customer service with an adaptable approach, incorporating the ability to problem solve and trouble-shoot effectively.
- Provide support on complex referencing or technical queries.
- Support delivery of a diverse range of innovative contemporary, community focussed library services through specialised customer service provision, program delivery, staff and customer training.
- Provide leadership and technical support to Learning Hub Officers within the library service.
- Build and maintain genuine relationships with customers, stakeholders and partners.
- Proactively support organisational culture and encourage staff to communicate across the organisation to gain greater insight into organisation operational requirements to enhance skills.
- Effectively communicate and share knowledge with team members, colleagues and customers.

Other:

- Other duties as required.
